TDT | Manama

¬he Kingdom of Bahrain The Kingdom of Land strongly condemned the terrorist Houthi militia's hijacking of a UAEflagged cargo ship, which was heading from Socotra Island to the port of Jizan, Saudi Arabia.

The Foreign Ministry denounced the terrorist operating which targeted the cargo ship transporting equipment for a field hospital, describing the acts as a flagrant violation of the international law of the sea.

It affirmed that terrorist Houthi militia had committed a maritime piracy that poses a great threat to the freedom of maritime navigation in Bab al-Mandab and the Red Sea.

It said that the terrorist acts show the militia's terrorist drive to subvert regional security and stability, calling on the international community to condemn this dangerous terrorist act and compel the Houthis to immediately release the ship and its crew.

Bahrain also condemned Houthi drone attacks towards Najran in Saudi Arabia.

• Disconsolate passengers stuck on a cruise ship moored in Lisbon's port for five days due to a COVID-19 outbreak began disembarking early yesterday, focused on clearing the final hurdle of a negative test before boarding homebound flights. The AIDAnova, carrying 2,844 passengers and 1,353 crew, had docked in Portugal's capital on Wednesday. The ship was en route to the island of Madeira for New Year's Eve celebrations, but the cruise was cut short after COVID-19 was detected among the crew, 52 of whom tested positive between Wednesday and Friday.

The CDC had reduced the recommended isolation period for people with asymptomatic COVID to five days, down from 10. The policy does not require testing to confirm that a person is no longer infectious before they go back to work or socialise, causing some experts to raise questions.

"You're right. There has been some concern about why we don't ask people at that five-day period to get tested. That is something that is now under consideration", Fauci told ABC News in a separate interview on Sunday. "I think we're going to be hearing more about that in the next day or so from the CDC."
