Will Smith forced to drop out of Grammy Awards surprised appearance

Celebretainment | Los Angeles

Will Smith had to drop out of a surprise performance at the Grammy Awards.

During Sunday night's ceremony, Questlove and The Roots celebrated 50 years of hip hop with special appearances by the likes of Nelly, Missy Elliott,

Queen Latifah, LL Cool J, Busta Rhymes, Run-DMC and Will's former collaborator DJ Jazzy Jeff.

However, the star admitted to Variety that the former 'Fresh Prince of Bel Air' star was also meant to be "part of the festivities".

He said: "I'll give the spoiler alert away. Will Smith was part

of the festivities tonight, but they started shooting 'Bad Boys 4' this week.

"There were a lot of preliminary shots that he had to do, so we had to lose Will."

Questlove added that having the Hollywood star involved was "a shot in the dark" due to his busy filming schedule.

Will Smith

If he had been able to take part, it would've marked Will's first awards show appearance since he slapped Chris Rock at the Oscars last year after the comedian

made a joke about the actor's wife Jada Pinkett Smith.

The joke was made while Chris was on stage presenting the Academy Award for best documentary, which coincidentally was won by Questlove himself moments later. Meanwhile, Serena Williams recently discussed the incident involving the 'King Richard' actor and insisted

Will should be given the chance to atone for his "mistake".

Serena, whose rise to the top of the sporting world was documented in the film, regrets how the slap overshadowed Will's Oscar triumph and that of 'Summer of Soul' - which won the Best Documentary Feature award directly after the shocking incident.

Khloe Kardashian opens up about her current relationship status

ANI | Washington

Khloe Kardashian has revealed that she is single and not ready to mingle!

Khloe recently interacted with her fans on Twitter and during her interaction, a fan asked her to clarify her relationship status. The fan wrote, "Who's your man currently?"

Khloe responded by writing, "Who has time for a man lol...I have a 6-month-old baby and True and I are

sickly codependent on one another. Ha! I secretly love it. No but for real...No man right now...He's in my prayers too ha!"

Khloe shared both her kids with her ex Tristan Thompson.

Khloe and Thompson started dating in 2016 and welcomed their daughter True in 2018. They split in June 2021 before reuniting. Kardashian then ended her romantic relationship with the sportsman in January this year. Thompson is also dad to son Prince, 5, with ex Jordan Craig and son Theo, 8 months, with Maralee Nichols.

While their relationship ended last year, they communicate as co-parents.

Matthew McConaughey set to voice Elvis in 'Agent Elvis' animated series

ANI | Washington

Hollywood star Matthew McConaughey is set to lend his voice for the role of Elvis Presley in Netflix's adult animated action-comedy series 'Agent Elvis'.

According to The Hollywood Reporter, a USA-based entertainment news outlet, the upcoming show, which was ordered to series in August 2019, follows Pres-

ley as he trades in his jumpsuit for a jet pack when he is covertly inducted into a secret government spy program to battle the dark forces that threaten the country he loves.

Presley's appearance is being animated by Oscar nominee Robert Valley, while Agent Elvis' clothing is being developed by famed fashion designer John Varvatos.
