6 hor: Love and Thun-**⊥** der' was a box office success, grossing USD760 million worldwide, but writer-director Taika Waititi's silly humour and the film's unappealing visual effects turned off many Marvel fans.

Chris Hemsworth, the actor who plays Thor, is aware of the backlash surrounding his fourth "Thor" film, and he even admitted that "Love and Thunder" was "too silly" for its own good, as per Variety.

Hemsworth said about the movie, "I think we just had too much fun. It just became too silly. It's always hard being in the center of it and having any real perspective...I

love the process, it's always a ride. But you just don't know how people are going to respond." Hemsworth said his big-
