Anna Kendrick says actors are treated like 'insane divas'

Celebretainment | Los

nna Kendrick worries Aall actors are treated like "insane divas" so she took a very different approach when directing her first film.

The 'Up In The Air' star steps behind the lens for the first time to helm 'The Dating Game' for Netflix and she's revealed other members of the crew were worried by her direct style because she refused to treat the castmembers like "delicate little eggshells".

In a chat with Collider. com, she explained: "I think a lot of the producers were surprised by the amount of stuff that I was doing with the actors in the film, where I think a lot of filmmakers, I don't know whether it was in a program they went to or whatever, but I think there's a lot of bad rumours going around about what you can and can't say to actors.
