## ISB holds farewell for class XII students

The Indian School organised a glittering farewell function on its Isa Town campus for the outgoing class XII students on Wednesday. It was a festive, yet poignant occasion, as the students bid goodbye to their alma mater. The students of class XI had arranged a wide array of programmes to entertain their seniors. Principal VR Palaniswamy inaugurated the programme in the presence of Vice-Principals, Staff Representative Johnson K Devassy, Head Teachers, staff and students. Principal VR Palaniswamy in his felicitation address, extolled the students to keep the name of the school flying high and to take up responsible roles in the society. Cultural events commenced with a song followed by a power packed dance performance of students which was full of energy. Ramp walk, games, songs and band made the programme vibrant and colourful. The outgoing students thanked the school for being a source of inspiration, encouragement and motivation. ISB Chairman Prince S Natarajan, Secretary Saji Antony and Executive Committee members wished them success in their future endeavours and hoped that the students would come out with flying colours in the Board Examinations.

## Astounding EVS exhibition at NMS-Bahrain

New Millennium School, Bahrain celebrated 'Synergy 2022' theme based EVS exhibition for students of Grades I and II, depicting the spirit of scientific enquiry and joyful learning on 8th February. The central showcase of the event were the splendid projects prepared by the students with the help of their mother teachers that created a world filled with elements of scientific inquiry, scientific literacy, which are the essential realms of scientific education in schools. The projects revolved around themes of space, space exploration, habitats, rainwater harvesting, saving of flora and fauna for a better tomorrow and also the need of going back to village-based living for creating a more sustainable planet. The exhibition was inaugurated by Principal Arun Kuumar Sharma, who congratulated the entire Grades I and II team and lauded the efforts of the students. Chairman Dr Ravi Pillai and Managing Director Geetha Pillai bestowed their blessings and appreciated the efforts put in by the children, parents and teachers in making this event invigorating and riveting.

## RCSI Bahrain nursing students support Al-Shurooq diabetes camp for children

TDT | Manama

A group of Nursing Year 4 students from the Royal College of Surgeons in Ireland - Medical University of Bahrain (RCSI Bahrain) participated at the 21st Al-Shurooq Diabetes Camp for children, held Under the Patronage of Lieutenant General Dr. Shaikh Mohammed bin Abdulla Al Khalifa, Chairman of the Supreme Council of Health, and President of the Bahrain Diabetes Society (BDS).

The Al-Shurooq Diabetes Camp supports children diagnosed with Type-1 Diabetes by developing their self-care management skills through educational activities. The event held on February 10th, and 11th in the Hamad Town Youth Centre was organised by the Bahrain Diabetes Society in collaboration with local healthcare facilities and

community organisations, including our Diabetes Mobile Unit.

The RCSI Bahrain Nursing Year 4 students, supervised by qualified nurses, joined the group of volunteers made up of a number of healthcare practitioners from various hospitals in Bahrain. Over the course of the event, the volunteers delivered a fun interactive programme to a group of 80 children about blood glucose monitoring, preparing and administering insulin, injection site rotation, carbohydrate count, and managing hypo/hyperglycemia through songs, games, and activities.

RCSI Bahrain President, Professor Sameer Ootom, commented on the collaboration: "RCSI Bahrain's longstanding partnership with the Bahrain Diabetes Society and our commitment towards the national health programme of Bahrain, enable our vol-

unteers from the Diabetes Mobile Unit to actively contribute and participate in educating young people about the health risks and management of diabetes. I am proud of our senior nursing students and their current and future contribution to diabetes management in the community."

Through the partnership between BDS and RCSI Bahrain, the Diabetes Mobile Unit of the university played an active role in this year's camp. RCSI Bahrain Lecturer in Nursing and Nursing Year 1 Level Director, Danah Smith developed a training programme for the Al-Shurooq Diabetes Camp volunteers, which was delivered on campus on February 4th, in collaboration with the Assistant Undersecretary for Public Health and Bahrain Diabetes Society Vice President, Dr Mariam Al-Hajri and a number of BDS healthcare team leaders.

## Bhavans - Bahrain Indian School donates to earthquake victims

BIS team with Turkish Ambassador

TDT | Manama

To support and assist the affected families of the deadly earthquake in Turkey and Syria, the Management, staff, and students of BIS joined together to reach out with timely help.

BIS team comprising Director Ritu Verma, Principal Saji Jacob, and students representatives visited the Turkish Embassy and met Büyükelçinin Özgeçmiş, Turkish Ambassador to the Kingdom of Bahrain to express the condolences. They donated \$1325 to The

Disaster and Emergency Management in order to help the victims of Turkey who are surviving in horrific situations.

The ambassador thanked the team profusely and requested for prayers and help for the country.

Director, Himanshu Verma, expressed his gratitude to the students, staff, and parents for raising the fund, donating and standing with them at the time of their dire need.

Students and Staff observed one-minute silence during the morning assembly for bestowing peace and wellness to the affected nations.
