Bahrain will allow evacuation flights from Afghanistan to use its transit facilities before reaching their final destinations.

In a statement by the Ministry of Foreign Affairs, the Kingdom said it's closely following the event unfolding in Afghanistan.

"Bahrain is committed to supporting humanitarian relief efforts in Afghanistan based on its moral obligations and as a dedicated member of the international community," the statement said.

The Kingdom also expressed hope that all parties will commit to stabilising the internal situation and protecting the lives of civilians.

# Jobs ready for kids

Bahrain opens COVID vaccine registration for children, offers booster shot for Pfizer, AstraZeneca jabs

● Jobs for 3 to 11-year kids with comorbidity issues

● To vaccinate all aged 12 to 17 years

TDT | Manama

Bahrain is further strengthening its battle against the deadly COVID-19 pandemic by opening vaccination for kids as young as three years of age.

Health Ministry yesterday said that registration is open for kids aged between 3 to 11 years of age, who suffer diseases that cause weak immunity, and all in the 12 to 17 age group.

Besides, the Kingdom is also extending booster doses to those who passed at least six months after taking the second dose of Pfizer-BioNTech and AstraZeneca (Covishield) jabs.

**Sinopharms for 3 to 11-year-old kids**

Two doses (3 - 11 year olds)

Those can take only: ○ Sinopharm

(For those who suffer from diseases that cause weak immunity)

**Registration** Through the Ministry of Health's website  
[healthalert.gov.bh](http://healthalert.gov.bh)

Two doses (12 - 17 year olds)

Those can choose to take: ○ Pfizer-BioNTech ○ Sinopharm

**Registration** Through the Ministry of Health's website

harm jabs. To get the vaccine, register through the website: 'healthalert.gov.bh'.

**For 12 to 17-year-old children**

All those aged between 12 and 17 years will receive COVID-19 jabs- either Sinopharm or Pfizer BioNTech, according to the National Medical Taskforce for Combatting the Coronavirus (COVID-19) pandemic.

Vaccination requires approval and the presence of a guardian. Registration is available through the Health Ministry website healthalert.gov.bh and BeAware app.
