MOVIE REVIEW

47 Meters Down: Uncaged - shark horror sequel has teeth

Johannes Roberts goes back underwater for the sequel to his 2017 shark-dodging thriller

● **Lacking the star power of the original, this killer shark thriller quickly runs out of air**

47 Meters Down: Uncaged is a 2019 survival horror film directed by Johannes Roberts and written by Roberts and Ernest Riera.

The sequel to 47 Meters Down (2017), the film stars Sophie Nélisse, Corinne Foxx, Brianna Tju, Sistine Stallone, Davi Santos, Khylin Rhambo, Brec Bassinger, and John Corbett. No characters return from the first film. The plot follows a group of girls who scuba dive to a sunken Mayan city, only to be trapped by a group of hunting sharks.

The film was released on August 16, by Entertainment Studios. It received mixed reviews from critics.

In the movie, Mia (Sophie Nélisse) and Sasha (Corinne Foxx) are reluctant stepsisters, with Mia's father, Grant (John Corbett), married to Sasha's mother,

A scene from '47 Meters Down: Uncaged'

Jennifer (Nia Long). Grant has found an underwater cavern and is busy mapping it out, so when Mia and Sasha are booked on a glass-bottom boat tour, Sasha convinces Mia to run off with her two best friends, Alexa (Bri-

anne Tju) and Nicole (Sistine Stallone), instead. Since Alexa is dating Grant's assistant, she knows where the cave is and brings the girls there to swim. Discovering a shipment of scuba-diving equipment, they

decide to go exploring. Unfortunately, hungry sharks appear, and the girls find themselves trapped, with their air tanks running out.

As of August 22, 2019, 47 Meters Down has grossed \$11.4 mil-

A follow-up to 2017's surprise hit removes the cage and finds surprising suspense as four teens try to survive an underwater onslaught

Canada, the film was released alongside Blinded by the Light, Where'd You Go, Bernadette and Good Boys, and was projected to gross \$11-14 million from 2,853 theatres in its opening weekend. It made \$3.2 million on its first day, including \$516,000 from Thursday night previews. The film went on to debut to \$8.4 million, down from the original's \$11.2 million, and finishing sixth.

On Rotten Tomatoes, the film holds an approval rating of 50% based on 46 reviews, with an average rating of 4.88/10. The website's critical consensus reads, "47 Meters Down: Uncaged may not be as ruthlessly efficient as its finned villains, but fans of shark peril thrillers should find it just chummy enough."

On Metacritic, which uses a weighted average, the film has a score of 44 out of 100, based on 16 critics, indicating "mixed or average reviews." Audiences polled by CinemaScore gave the film an average grade of "C+" on an A+ to F scale, while those at PostTrak gave it an average 2.5 out of 5 stars and a 52% "definite recommend."

lion in the United States and Canada, and \$1 million in other territories, for a worldwide total of \$12.4 million. In the United States and
