ANGELINA JOLIE

confessed that motherhood has changed her life.

The Hollywood star - who has Maddox, 22, Pax, 19, Zahara, 18, Shiloh, 17, and twins Vivienne and Knox, 15, with Brad - admitted that her children have "saved" her.

She said: "I was 26 when I became a mother. My entire life changed. Having children saved me - and taught me to be in this world differently.

"I think, recently, I would've gone under in a much darker way had I not wanted to live for them. They're better than me, because you want your children to be."

Shakira charged with tax evasion for the second time

Celebretainment | Los Angeles

Shakira has been charged against her.

With tax evasion for a sec
A representation of the control of the cont ond time

maker has been accused by prosecutors in Spain of having ated and abided by the law, defrauded the state of state of 6.7 million in 2018 after conduct as an individual and she allegedly failed to declare a taxpayer, and faithfully folmillions in advance payments for her 'El Dorado' world tour, amongst other payments.

The charges are due to the fact Shakira was living with then-partner Gerard Pique tional revenue there, but she other baseless case is accused of having instead

divert her money to "companies domiciled in countries with low taxation and high opacity".

The investigation was opened in July 2023 but the details have only just been released.

The news comes ahead of Shakira going on trial over six separate alleged tax crimes in the Spanish city this November, having been accused of failing to pay 14.5 million in tax between 2012
